Dear Sir:

Pursuant to 37 C.F.R. § 1.825(a) and (b) and 37 C.F.R. § 1.821(g), submitted herewith is a substitute sequence listing in paper form (substitute sheets) and computer readable form (CRF).

In the substitute Sequence Listing, the original SEQ ID NO:1 as filed is reinstated by adding the 323 base pairs at the 5'-end and the 33 base pairs at the 3'-end. Since this sequence was in the figure as originally filed, no new matter has been introduced by this amendment.

Pursuant to 37 C.F.R. §§ 1.821(g) and 1.825(a) and (b), the undersigned hereby states that:

1. The substitute sheets includes no new matter; and

2. The contents of the attached paper copy and the attached CRF of the substitute Sequence Listing are the same.

Dated: January 22, 2007

Respectfully submitted,
